GIFTS OF INSURANCE

By donating a life insurance policy, you can provide a significant future gift that will help protect vulnerable people from violence worldwide for a relatively small cost today.

A gift of insurance to International Justice Mission Canada is easily accomplished.

BENEFITS OF GIFTS OF INSURANCE

- **Make a substantial gift at little or no cost, without touching other assets.**
- **May provide significant tax relief for you now or for your estate later.**
- **Pay lower premiums if you use a joint policy.**

Examples of the forms of insurance gifts that may be made are set out below:

DONATE A POLICY YOU ALREADY OWN TO IJM CANADA: If you have an insurance policy that is no longer required to ensure your family's financial security, you can gift the policy by transferring ownership to International Justice Mission Canada.

MAKE IJM CANADA THE BENEFICIARY OF AN EXISTING OR JOINT POLICY: You may name International Justice Mission Canada as the beneficiary of an existing policy while you remain the owner of the policy.

APPLY FOR A NEW POLICY: If you take out a new insurance policy and make International Justice Mission Canada the owner of the policy, each premium you pay will entitle you to a charitable receipt.

GIFTS OF SECURITIES

Donating appreciated securities, including stocks or bonds is an easy and tax effective way for you to make a gift to International Justice Mission Canada.
